Big Thank-you from last week was to CCA's volunteer's. Over 100 gifts were sent home for volunteers.

CCA Mission Statement

Provide children with a Christ-centred, biblically-based education that promotes academic success, character development and service to others.

Parent prayer group has already met two times – so exciting.

Farm Safety presentation at school this week, a lady came in and did a great presentation.

Yearbook cover contest – a winner has been chosen and will be sent out shortly.

Fireplace has really been about making connections, kids making connections with one another and with God. Kids are sharing in small groups with a teacher, so it's much more intimate.

Heads Up – Rocky View survey will be coming out in May. Please take a moment to fill it out!

Mentimeter data isn't used for those, can only be taken from the survey.

Camp meeting was held and starting to get the ball rolling for that.

Bell times have to be announced to parents by the end of June for next year.

ii) introduction of new Vision/Mission statement drafts Rachelle

Quick run through of the process

Our Vision should be a projection and something we are constantly striving for.

A Vision committee team has been put in place – anyone on the staff was welcome to join and they work thru many different issues, not just updating our statements.

The team brainstormed and worked thru many ideas and came down to three: Purpose, Community & Impact.

Students, staff and parents should be for Our Vision

We brainstormed our ideas about the draft of our Vision and Mission

A new Mentimeter will be sent out shortly – there are usually only three parts but a fourth will be added to this one 😊

Every Friday is CCA day!! Get your kids to wear their shirt 😊

Hoping next year to have CCA Swag for sale 😊

Please pray for this process
