

Reach out to your child's teacher about your child's specific results.

This Year We Worked On:

- Fostering an inclusive learning culture at CCA that utilizes universal supports
- Designing literacy instruction and targeted intervention for ALL students to experience success

You Can Help By:

- Further advocating for your child's needs and working with CCA to develop meaningful programming
- Engage with your child in the home reading program to foster a culture of life-long reading and writing

Next Year You Can Look Forward To:

- Begin the implementation process of a school-wide Positive Behaviour Intervention and Support (PBIS) system
- Further refinement of our literacy program with a focus on targeting specific student needs and writing development
- Targeted Numeracy intervention
